

## **Speedy Glass in Saint John to Sponsor all Four Hospice Fundraisers**

April 16, 2019 - Hospice Greater Saint John is pleased to announce that Speedy Glass will be the first-ever corporate sponsor on all four of their annual fundraising events: Summer BBQ's, Hospice Memorial Walk, Sunflower Luncheon and the Hospice Gala. These annual fundraisers provide important revenue to support care at Bobby's Hospice.

*"We are honored and thrilled to welcome Speedy Glass as the first ever sponsor on all of our fundraising events," says Sandy Maxwell, Hospice Chief Executive Officer. "Every year, we must raise \$1.5M to cover our share of the costs of care at Bobby's Hospice and this kind of corporate support is wonderful! We are very grateful for their partnership."*

*"We're glad to bring our contribution to Bobby's Hospice' amazing work." says Barry Lingley, Saint John and Saint John West Speedy Glass Manage. "As an active member of the Saint John business community, it's important for us to give back and support organizations that make a difference. Bobby's Hospice offers important services for patients in need of palliative care, and those that are close to them. They offer a unique and compassionate home away from home during this crucial and emotional journey."*

### **About Speedy Glass and Belron Canada**
