#### INDEPENDENT AUDITOR'S REPORT

To the Directors of Hospice of Greater Saint John Inc.

#### **Qualified Opinion**

We have audited the financial statements of Hospice of Greater Saint John Inc., which comprise the statement of financial position as at March 31, 2023, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at March 31, 2023, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

#### **Basis for Qualified Opinion**

In common with many not-for-profit organizations, the Organization derives revenue from fundraising activities the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Organization. Therefore, we were not able to determine whether any adjustments might be necessary to fundraising revenue, excess of revenues over expenses, and cash flows from operations for the years ended March 31, 2023 and 2022, current assets as at March 31, 2023 and 2022, and net assets as at April 1 and March 31 for both the 2023 and 2022 years. Our audit opinion on the financial statements for the year ended March 31, 2022 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

### **INDEPENDENT AUDITOR'S REPORT, continued**

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### **Notes to Financial Statements**

As at March 31, 2023 (With comparative figures for 2022)

#### 1. Nature of The Business Activities

Hospice of Greater Saint John Inc. ("the Organization"), incorporated under the laws of New Brunswick, is a registered charity under the Income Tax Act and is exempt from income taxes. Its purpose is to provide quality end-of-life care to people living with terminal illness and coping with loss. It is administered entirely by professional staff and governed by a duly elected volunteer Board of Directors comprised of business professionals.

### 2. <u>Summary Of Significant Accounting Policies</u>

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations. The significant accounting policies are detailed as follows:

#### (a) Revenue recognition

The Organization follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions, including donations and grants, are recognized as revenue when the related pledges or commitments are received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Other revenue, including special event revenue and Hospice Shoppe sales, are recorded when earned.

#### (b) Government assistance

Government assistance toward current expenses, including salaries, is recognized as a reduction of the corresponding expenses at the time they are incurred, provided there is a reasonable assurance that the Organization has complied and will continue to comply with all conditions of the government assistance.

#### (c) Contributed goods and services

Directors, committee members and owners volunteer their time to assist in the Organization's activities. While these services benefit the Organization considerably, a reasonable estimate of their amount and fair value cannot be made and, accordingly, these contributed services are not recognized in the financial statements.

Items donated for the Valentine's Gala charity auction and Win with Hospice are recorded at the value realized during the auction. Donations of services require that payments be exchanged between the donor and the Organization, in accordance with Canada Revenue Agency guidelines.

#### (d) Cash

Cash consists of cash on hand and balances with financial institutions.

#### **Notes to Financial Statements**

As at March 31, 2023 (With comparative figures for 2022)

### 2. Summary Of Significant Accounting Policies, continued

#### (e) Capital assets

Capital assets are recorded at cost. The Organization provides for amortization using the declining balance method at rates designed to amortize the cost of the capital assets over their estimated useful lives. The annual amortization rates are as follows:

Buildings	2%
Furnishings and equipment	20%
Vehicles	30%
Parking areas	8%

Amortization of leasehold improvements is recorded on a straight line basis of 10% per year.

Capital assets are reviewed for impairment whenever events or changes in the circumstances indicate that the carrying value may not be recoverable. If the total of the estimated undiscounted future cash flows is less than the carrying value of the asset, an impairment loss is recognized for the excess of the carrying value over the fair value of the asset during the year the impairment occurs.

#### (f) Controlled foundation

The Hospice Legacy Foundation Inc. ("the Foundation"), which is controlled by the Organization, is not consolidated in the Organization's financial statements.

#### (g) Contributions related to capital assets

Grants and donations received for the purpose of renovating and maintaining the Dufferin Row property and for the purpose of purchasing furnishings and equipment are being deferred and amortized to revenue on the same basis the related capital assets are being amortized to expense.

#### (h) Financial instruments

#### (i) Measurement of financial instruments

The Organization initially measures its financial assets and liabilities at fair value, except for certain related party transactions that are measured at the carrying amount or exchange amount, as appropriate.

The Organization subsequently measures all its financial assets and financial liabilities at cost or amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in deficiency of revenues over expenditures in the period incurred.

Financial assets measured at amortized cost include cash and accounts receivable.

Financial liabilities measured at amortized costinclude accounts payable and accrued liabilities.

#### **Notes to Financial Statements**

As at March 31, 2023 (With comparative figures for 2022)

### 2. Summary Of Significant Accounting Policies, continued

#### (h) Financial instruments, continued

#### (ii) Impairment

For financial assets measured at cost or amortized cost, the Organization determines whether there are indications of possible impairment. When there is an indication of impairment, and the Organization determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows, a write-down is recognized in deficiency of revenues over expenditures. A previously recognized impairment loss may be reversed to the extent of the improvement. The carrying amount of the financial asset may not be greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in deficiency of revenues over expenditures.

#### (iii) Transaction costs

Transaction costs related to financial instruments that will be subsequently measured at fair value are recognized in deficiency of revenues over expenditures in the period incurred. Transaction costs related to financial instruments subsequently measured at amortized cost are included in the original cost of the asset or liability and recognized in deficiency of revenues over expenditure over the life of the instrument using the straight-line method.

#### (i) Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. By their nature, these estimates are subject to measurement uncertainty. The effect of changes in such estimates on the financial statements in future periods could be significant. All estimates are reviewed periodically and adjustments are made to the statements of operations as appropriate in the year they become known.

### 4. <u>Controlled Foundation</u>

The Foundation is controlled by the Organization as the Organization shares the Foundation's board of directors.

The Foundation was incorporated under the laws of New Brunswick on June 13, 2012 and is a public foundation under the Income Tax Act. Its purpose is to receive and maintain a fund or funds for the benefit of the Organization.

Balance - beginning of year Amounts received related to subsequent periods Amounts recognized as revenue	\$ 21,766 91,063 (21,766)	\$ 40,000 28,294 (46,528)
Balance - end of year	<b>\$ 91,063</b>	\$ 21,766

The balance at the end of the year relates to the Win with Hospice Campaign for the fundraising activity 52 week split and private donations received for outdoor capital improvements to be completed subsequent to year end.

#### 6. **Deferred Contributions Related to Capital Assets**

	2023	2022
Balance, beginning of year Recognized as revenue Contributions received	\$ 1,479,355 (61,108) 97,749	\$ 1,537,379 (58,024) ————
Balance, end of year	\$ 1,515,996	\$ 1,479,355

#### 7. **Commitments**

The Organization is committed to lease payments of \$53,488 plus HST per year ending August 31, 2024 under the terms of a lease for the premises for the Hospice Shoppe Boutique.

The Organization leases office equipment that has been accounted for as operating leases. The future minimum lease payments over the next year is as follows:

833 2024

#### 8. **Related Party Transactions**

The Organization and the Foundation are related parties under common control since they have the same board of directors. All transactions are made in the normal course of operations and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

The Organization receives donations from the Foundation. The Organization also donates bequests and other donations to the Foundation:

#### **Notes to Financial Statements**

As at March 31, 2023 (With comparative figures for 2022)

### 8. Related Party Transactions, continued

	2023	2022
Donations received	\$ 80,000	\$ 76,000
Donations paid	\$ 455,000	\$ 450,000

### 9. <u>Financial Instruments</u>

Transactions in financial instruments may result in an entity assuming or transferring to another party one or more of the financial risks described below. The required disclosures provide information that assists users of financial statements in assessing the extent of risk related to financial instruments.

#### (a) Liquidity risk

Liquidity risk is the risk that an organization will encounter difficulty in meeting obligations associated with financial liabilities. The Organization is exposed to this risk mainly in respect of its obligations under operating lease agreements and accounts payable and accrued liabilities.

#### (b) Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Organization's main credit risks relate to its accounts receivable. The Organization assesses the collectibility of its accounts receivable on a continuous basis.
