

Hospice Happenings

July Edition

We're excited to start sharing some of our favorite Bobby's recipes with you! First up is one of our most requested classics - Bob's famous tea biscuits!

Bob has been one of our dedicated kitchen volunteers, showing up every single week for years. His kindness, commitment, and delicious baking have become a cherished part of Bobby's, and his tea biscuits are loved by everyone who gets to enjoy them. We're thrilled to share this special recipe so you can bring a little taste of Bobby's into your own kitchen. We can't promise yours will taste quite as good as Bob's, but it's definitely worth a try!

Ingredients:

2 ¼ cups flour
2 tbsp. granulated sugar
1 tbsp. baking powder
½ tsp salt
½ cup cold butter, cubed
1 cup cheddar cheese, shredded
1 cup milk

Instructions:

1. Preheat oven to 425.
2. In a bowl, mix flour, sugar, baking powder and salt.
3. Using a pastry blender, cut in the butter until it resembles coarse crumbs. Then stir in shredded cheddar cheese.
4. Pour milk over top, and mix with a fork to make a soft, slightly sticky ragged dough.
5. With floured hands and surface, roll dough into a ball and kneed gently approximately 10 times.
6. Using a rolling pin, roll out dough until it is ½ inch thick. Cut into circles.
7. Place your biscuits on a parchment lined pan and brush the tops with an egg wash.
8. Bake for 15 minutes, or until golden brown.
9. Let rest on the hot pan for 5 minutes before serving.

Staff Spotlight: Bernadine & Michelle

Behind every comforting meal at Bobby's Hospice are two incredible
Food Services Coordinators, Bernadine and Michelle.

Their days begin long before meals are served, carefully planning,
preparing, and coordinating food that nourishes not only the body but
also the spirit. In hospice care, a favourite meal, a familiar flavour, or a
warm bowl of soup can provide comfort, connection, and a sense of home
during life's most challenging moments.

Bernadine and Michelle bring compassion, dedication, and heart to
everything they do. They help create an environment where patients and
families feel cared for in ways both big and small.

Thank you, Bernadine and Michelle, for the care, kindness,
and comfort you serve every day.
